### **WE HAVE A WINNER!!**

Congratulations to Marisa Anderson. Marisa was the winner of our Old Bridge Day raffle and won a Home Safety Kit. Our thanks to everyone who came out and spent some time with us at Old Bridge Day.

Our annual Fire Prevention Week Open House events are right around the corner. Visit the firehouse and meet the firefighters. We will have displays, demonstrations, SOBFD giveaways, games, a raffle, and that delicious fresh popped popcorn. Details are in the Upcoming Events column to the left.

### **DID YOU KNOW?**

We have been given the honor of 3<sup>rd</sup> place on the list of "Most Absurd Fire Department Names." Another fire department from Old Bridge, our colleagues at the Cheesequake Volunteer Fire Department are not far behind coming in at #5 on the list. Congratulations to all of the honorees.
