News & Highlights:

WELCOME TO THE SOBVFD'S NEW MONTHLY NEWSLETTER

The South Old Bridge Volunteer Fire Department proudly announces our new monthly newsletter. Our goal is to keep the Old Bridge Community informed of our upcoming events along with news & information about your local fire department. If you would like to continue receiving it it will be circulated monthly by email.

The South Old Bridge Volunteer Fire Department is a 100% volunteer department. We proudly protect an area of approximately 22 square miles with a population of 35,000 residents. Our district contains a mix of both commercial and residential occupancies, along with the major highways of routes 9 and 18. We have fire houses located at 958 & 1599 Englishtown Rd and 14 Throckmorton Lane.

Our department provides fire protection 24 hours a day / 7 days a week to District #3 and we also respond to calls for mutual aid in neighboring communities. We have proudly been serving the residents of Old Bridge as volunteers since 1947!

Old Bridge Day

The SOBFD will have a booth at Old Bridge Day in the Municipal Complex on Saturday September 26, 2015 from noon to 5pm. Come visit our booth for an interactive and fun experience. We will have give a ways, games for the children and a raffle for anyone that stops in to see us.

Rumor has it that our friend Sparky the fire dog might be stopping in. Come by and have your picture taken with Sparky.

We hope to see you all at Old Bridge Day!
